WHO WE ARE

Heslin Rothenberg Farley & Mesiti P.C. is the largest intellectual property (IP) law firm in upstate New York. For over 50 years, our clients around the globe have trusted our firm to protect and capitalize their IP. With a team of attorneys and patent agents dedicated solely to IP law, many of whom have engineering, science and technical degrees, we focus on combining our knowledge of the law with industry experience to meet the specific needs of our clients.

By focusing exclusively on IP, we are able to offer clients unique perspectives and insights in this nuanced area of the law. Our team has comprehensive experience protecting, commercializing, and enforcing IP rights; and we work with clients at all stages of growth, from individuals, to start-ups, to established businesses and Fortune 100 companies.

We take great pride in the quality of service we provide our clients, many of whom are respected leaders and innovators in their industry. Our clients represent a broad spectrum of domestic and foreign corporations, government agencies and research centers, designers, developers and software companies, venture capital firms, and growth companies focused on emerging technologies.

We understand the obstacles our clients face and we work aggressively to help them overcome those obstacles and to achieve their goals.
